Happy New Year
2015

Happy New Year! The festive break now seems a long time ago and as we move into 2015 I'm pleased that a familiar face returns following maternity leave. Jeevani Mauree will be returning one day a week following the birth of her gorgeous son back in May 2014.

Calling all 'green fingered' grandparents...we would love to hear from you! If you enjoy gardening and would be willing to give a little of your time working with small groups of our children in the garden please let us know so we can arrange convenient times.

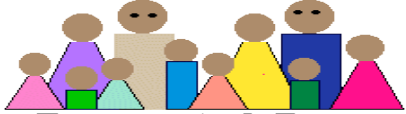

Snow...There has been a light snow fall in St Albans over the last few weeks however nothing that has yet affected the nursery opening and closing.

If in the event of heavy snowfall it may be necessary to open the nursery later or close earlier. Following any snowfall please check the nursery website for up to date information or call the nursery before you set off in the morning.

Food Allergens...The law has now changed and all food businesses that serve food have a legal responsibility to let their cliental know any food allergens from the 14 food allergen groups that appear within their menus. With this in mind you will now find our four week menu displayed in reception, in all rooms and also in the parent log in area of the website. Next to each menu displayed there is a poster displaying the 14 allergens with a number reference, we use this number reference on our menus for your referral.

There will be three parent days this year, the first will be in March. Dates will be emailed and a poster will be displayed in reception for appointments.

Get Involved.....

Lastly, please remember we would love for parents/carers to be involved at the nursery as much as possible. If you feel you would like to help at the nursery whether it's reading with children, singing, playing an instrument or would generally just like to be involved please talk to Amanda, Hannah or Lisa.

A Suggestion Box is in reception for you to write down any compliments, concerns or complaints.
