Monkey Puzzle, Ridgmont Rd - Newsletter

With just Bernard enjoying the run of Pink Monkeys over the last 10 weeks I am so very pleased to be able to welcome our Monkey Puzzle community back through our big red door... I'm looking forward to hearing the noise, laughter and chatter of the children once again.

I would like to personally thank you for your support and messages during the closure, they were all very much appreciated. It has been an extremely difficult time for everyone but continued support and kindness seems to have made this strange time a just a little easier. Let's continue to wash our hands and stay safe!

Labelling...It is imperative that **all your child's items are name labelled**. In a clearly labelled bag. Children's clothes are the same age and often the same colour from the same shop. We cannot identify clothes, bottles, dummies, hats etc that are not labelled. We do not want items shared or going in the wrong bag by accident. We will dispose of items not labelled at the end of each day.

Remember that we still love for parents/carers to be involved at the nursery.

Please send family photos in for the family boards (pets included) and use the 'WoW' Moment flowers to share your child's achievements with us. Share comments and ideas on Facebook. Let us know how we are doing.

Nursery Policies: The complete nursery policies can be found in the parent area of our website.
